-The great preacher, Henry Ward Beecher, has been noted for his oratori. | will be. cal powers and magnificent eloquence shop and now has one of the nestest and has given the world a sample in his latest opinion of a matter that is agitating the social world just at present from stem to gudgeon. Mr Beecher was asked the other day the question "Is it wrong for a christain to dance?" Mr Beecher studied some time, like a man does who is thinking of a hard word, and then said, "It is wicked when it is wicked and it is not wicked, when it is not wicked." There, we hope that will settle this vexed question as the above comes from the very fountain head of authority. People need not come around now saying by those who know that it is not wick--- The case of the people vs. Ducat effect. It is hoped that all who con- north and one-half mile west of Green's for assault and battery held before template dancing in the future will Corners a number of horses, cattle, Justice Duffie last week was decided please dance the dance that is not farming impliments, harness housewicked. In giving birth to this profound opinion Mr Beecher has shown on stoves these days. He is selling himself equal to the emergency, and one of the most profound thinkers of the age, if he is one of the most profound thinkers of the age.

About That Cow.

The Evening News says that Joe Soults, formerly of Royal Oak, but now a Port Muron editor, 'was recently married, and that at his wedding some one presented a cow; and that the aforesaid Jee in order to have milk for breakfast hung a pail on the cow's horns and vigorously worked its tail. We don't beleive it .- Birmingham

It does us a world of good to learn

that someone does not believe that cow-ardly, tit-ular in sinuation. The state editor of the Evening News is that the regular 50 cent size will cure not aware probably that the budding any case of internal, External or Itchdays of our youth were industriously whiled away in the wilds of Old Oak- Burns, Scalds, and for a general purland, tickling the earth with a hee to make the wilderness blossom out like for a trial box at once. -Bela W. Jenks, of Sand Beach, the rose. Yes, many times have we guest at the Rapley House on Tues- ber we formed a trumpet to catch the nually in the United States alone from first tinkle of the welcome dinner bell, this disease. In some sections of the This being so, the untruthfulness of from Consumption. This can be, and the charge can readily be seen. But should be avoided; our people are too the old fashloned definition, she has four stiff-standers, four diddle-danders, two crockers, a snorter and a switch-about. The switch-about is for keeping files and other insects off the operator and is not to be used as The News infers. She is a good, first rate, woral female cow, bully to milk, and rather likes it, won't kick outsideways behind, nor jump into reighbout and other symptoms of throat and lung affections that lead to this disease. You should arrest it while it is in the germ. Two or three doses of Dr. Bosanko's Cough and Lueg Syrup will relieve an ordinary cough or Dr. Bosanko's Cough and Lueg Syrup will relieve an ordinary cough of Dr. Bosanko's Cough and Lueg Syrup will relieve an ordinary cough or cold. It does not dry up a cough ilke many preparations on the market and leave the disease behind it, but acts directly on the threat and bronchial tubes, removing all the phlegm and morbid matter that containing the cold in th rate, woral female cow, bully to milk, acts directly on the threat and bronchial tubes, removing all the phiegm and morbid matter that accumulates in the threat and lungs. It allays all cornfleids, or break down garden gates irgitation, and renders the voice and fences to get at clothes line orna- and distinct. Sold by F. A. Baker. ments. A cow whose milk will cheer but will not give a man the James-Jams, so it is not nesessary to "feed

RAPID GROWTH .- A western man has been telling some Philadelphians how western cities grow. He says he went off into the mountains hunting, and, night coming on, he went to sleep in a tree to be out of reach of the wolves. He was awakened early next morning by some workmen, who told him to get down and finish his nap on the court house steps, as they wanted to turn that tree into a flag-pole for Oil Cloths, Rugs, Matts, Upholstery the hotel across the way. He got Goods, Fringes, Nottingham Laces down and while rubbing his eyes was and Comfortables is now open for run over by a street car and got his inspection. The largest stock and
